The General Conditions of Use apply fully and exclusively, with the exception of the mandatory provisions of the law in force.

3. SCOPE OF APPLICATION

The purpose of the General Terms and Conditions of Use is to define the terms and conditions of access and use of the website www.pradeo.com, the purpose of which is to present PRADEO applications and those of its Partners.

4. PRESENTATION OF THE SITE

4.1. Use and access to the Site

The Site is accessible free of charge to Users with an internet connection. All costs, whatever they may be, relating to access to the Site are exclusively the responsibility of the User, who is solely responsible for the proper functioning of his computer equipment and his access to the Internet.

4.2. Site Availability

The Publisher makes every effort to allow the User access to the Site 24 hours a day, 7 days a week, except in cases of force majeure and subject to the following.

The Publisher may, in particular, at any time, without being held liable:

- suspend, interrupt or limit access to all or part of the Site,
- reserve access to the Site, or certain parts of the Site, to a specific category of Internet user;
- delete any information that may disrupt the operation of the Site or that contravenes national or international laws or the rules of Netiquette;
- suspend or limit access to the Site in order to carry out updates.

The Publisher is released from any responsibility in case of impossibility of access to the Site because of an event beyond its control (in particular problem on the User's equipment, technical hazards, disturbance on the Internet network ...).

The User acknowledges that the Publisher's obligation regarding the availability of the Site is a simple obligation of means.

4.3. Site content

All trademarks, distinctive brand elements, domain names, photographs, texts, comments, illustrations, animated or non-animated images, video sequences, sounds, as well as all computer elements that could be used to operate the Site and more generally all elements reproduced or used on the Site are protected by the laws in force under intellectual property.

They are the full and entire property of the Publisher and/or its Partners. Any reproduction, representation, use or adaptation, in any form whatsoever, of all or part of these elements, including computer applications, without the prior written consent of the Publisher, is strictly prohibited. The fact that the Publisher does not take legal action as soon as it becomes aware of such unauthorised use does not constitute acceptance of such use and waiver of prosecution.

5. RESPONSIBILITY

The responsibility of the Publisher cannot be sought in particular in the event

- use by the User of the Site contrary to its purpose.
- because of the use of the Site or any service accessible via the Internet.

Furthermore, the Publisher is not liable for any damage caused to the User, third parties and/or the User's equipment as a result of his/her connection to or use of the Site.

If the Publisher is subject to amicable or legal proceedings due to the User's use of the Site, the Publisher may turn against the User to obtain compensation for all damages, sums, sentences and costs that may result from such proceedings.

The material used to connect to the Site is used by the User under his entire responsibility.

The User must take all appropriate measures to protect his equipment and his own data, particularly in the event of virus attacks via the Internet. Moreover, the User is solely responsible for the sites, applications and data he consults.

The Publisher is free to refuse this authorisation without having to justify its decision in any way whatsoever. Should the Publisher grant its authorization, this authorization is in any case only temporary and may be withdrawn at any time, without the Publisher having to justify its decision in any way.

In any case, any link must be removed at the request of the Publisher.

The Site contains links to third party websites and Partners. The linked sites are not under the control of the Publisher, who is not responsible for their content, nor in the event of any technical problem and/or security flaw arising from a hypertext link placed with or without the latter's formal consent.

It is up to the User to make all necessary or appropriate checks before proceeding with any transaction with any of these third parties and Partners.
